4. Old Business: Host code security concerns (vetting questions)—no change now, but if we have problems in the future we can easily change our host code.

5. New Business: Reconsider setting up a PayPal account so we can receive contributions electronically. We have no tax ID and no physical address, so we will need to use someone's personal address, though that might set up a problem in future years, when the address holder rotates out or moves. We can set up a link

to PayPal on the website once we have a PayPal account. April will set up the PayPal account. Mark suggests we use treasurer@centralvaooa.org for PayPal. April moved that we set up a PayPal account; Debbie seconded. The motion passed. There was some discussion of tracking the funds sent by each meeting, but it was decided that this is not currently needed.

Debbie is holding prudent reserve money for two meetings. Is it appropriate to ask if that should be contributed to CVIG? April said it can be brought up at the meeting, so the meeting can decide what to do with those funds. A group conscience can remind the meeting that they still have the funds.

Alicia is considering whether to continue as chair next year. Jan's term as treasurer will end this year. Tiffany's term is also ending this year.

6. Closing: Motion to adjourn made by Susie and seconded by Debbie. Meeting adjourned at 7:41, followed by (WE) Serenity Prayer.
